Extending of Railways upto Agartala, Tripura

670. SHRI NARAYAN KAR: Will the Minister of RAILWAYS be pleased to state:

(a) the progress made by Government in extending Railways upto Agartala, the State Capital of Tripura;

(b) whether it is a fact that necessary studies have been made after the present re-alignment of railways by the side of Assam-Agartala road;

(c) if so, what are the reasons for not taking up the work for extension;

(d) whether Government are aware that delay in extension of Railways in Tripura have been blacked the posssibility of starting Gas-based industry in a 'C' industry State like Tripura; and

(e) if so, whether this work would be incorporated in the next five year plan?

THE DEPUTY MINISTER IN THE MINISTRY OF RAILWAYS (SHRI AJAY SINGH): (a) to (e). A survey was carried out in 1985 for extension of the Railway line from Kumarghat to Agartala. The cost of the 131 Km. M.G. line was estimated at Rs. 283 crores at the 1984-85 price level. The present day cost would be around Rs. 350 crores. Due to poor traffic prospects, constraint of resources and heavy commitments on hand for new line projects the project could not be taken up.

However, a Final Location Survey including bi-modal study for extension of the railway line from Kumarghat to Agartala has been taken up.
